will be gladly received at the front office.....
Hahahaha**

Staff Farewells

Alex Penny – Alex has a passion for Drama and Music and he has imparted this passion onto our students. Alex has developed and delivered a wonderful learning program and prepared many of his classes to perform concerts at an exceptional standard. Alex can be very proud of what he achieved at Seacliff and we wish him the best of luck for his new school in 2018.

Michele Parsons – Michele has been a regular member of our Junior Primary team for several years. She has had a significant impact on many of our current students by preparing them extremely well in their first years of schooling. We thank Michele for her work at Seacliff and look forward to seeing her back on staff in the near future.

Paul McIninch – Paul has worked in Room 13 this year and has developed excellent working relationships with his students. Paul has contributed to the positive culture at Seacliff this year. We thank Paul for his work at Seacliff and wish him all the best at Largs Bay Primary School.

VOLLEYBALL SILVER STARS SHINE BRIGHT IN MELBOURNE

Last week the year 6/7 volleyball team travelled to Melbourne to compete in the Australian Volleyball Schools Cup. The team played a total of 8 games over the span of a week. We have been training for the tournament since term 1. We were so pleased to make the gold medal match. Unfortunately we lost however we were over the moon to win a silver medal as the only primary school team in a competition with over 6000 players. Congratulations to all players! Lauren Thomas.

Seacliff Circus

The Circus Program was initiated by a school parent and Greg Miller about 16 years ago and has provided our students with a program that fosters both physical and mental development, team work and co-operation and a significant amount of enjoyment. Children learn the value of hard work and persistence in developing new skills and have a great time in doing so. Unfortunately due to budgetary concerns the very difficult decision to suspend the program for 2018 has been made. Community response to this news has highlighted how this program is valued at Seacliff and discussions have started on how we may be able to offer a modified, user pays program to our passionate circus students. More information will be forthcoming early next year.

Alessandro Gavello, our circus trainer has worked with hundreds of Seacliff students for nearly 10 years. We thank Alessandro for his dedication to the program, the students acknowledge the positive impact he has had on Seacliff Primary School.

SEACLIFF STUDENTS KEEP THE LIBRARY BUSY!

Congratulations to the students at Seacliff Primary who have each borrowed over 100 books this year. What an amazing achievement.

Please return all take home readers to the library as soon as possible.

PREMIERS READING CHALLENGE HALL OF FAME RECIPIENTS

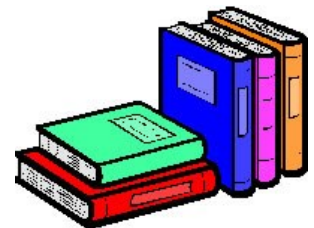

Congratulations to Jack, Ash, Myah, Brianna, Jemima and others on achieving 9 years of completing the South Australian Premiers Reading Challenge. They received a Hall of Fame certificate at our assembly.

Thank you to all those who purchased books from our recent

Scholastic Book Fair.

We sold over \$ 3000 in product which means our library has been able to restock \$1000 worth of books.

We will hold another book fair in 2018.

2017 earn and learn promotion.

Thank you to every one who contributed to our earn and learn sticker collection.

This year we collected over 16,400 points . This has enabled us to order new lunchtime play equipment which includes soccer balls, footballs, netballs, rugby balls, basket balls as well as some new sandpit toys for the junior primary students.

We have also ordered a ball launcher and foldable soccer goal set for P.E, as well as some new trundle wheels for measuring in maths.

These will arrive in term 1 of 2018.
