

# Meet the Seacliff OSHC team

## **Sarah Burgan (Director)**

G'day everyone! My name is Sarah Burgan and I am lucky to be the Director of Seacliff OSHC. I am the super proud mum to two beautiful girls, Eloise and Adalyn. I enjoy sewing, reading, playing dungeons & dragons and time with my very large and extended family. I am also a bit of a foodie and love baking.

I have a Bachelor of Primary Education and majored in English. I started as Director in 2018 and have been loving my time here.

I love creating an environment and culture that makes kids feel like they belong. It's a space where kids can take risks to try new hobbies, get creative, explore their physical abilities and make meaningful connections with others.

## **Lynn Laing (Supervisor)**

Hi I'm Lynn and I am a Supervisor, having completed my Diploma in School Aged Care and Education in 2016. My hobbies are spending time with my family, being an Assistant Scout Leader at the Darlington group in Seacombe Gardens, where I work with the Scout section 11-15 year olds and am a keen Geocacher.

I love working with primary aged children and learning all about them. My focus is safety based so I will risk manage anything before jumping in, but I really want the students to enjoy themselves at OSHC.

## **April Harris (Supervisor)**

Hi! I'm April and I'm a new face you may have seen around Seacliff OSHC. I'm in the fourth year of my teaching degree and I have a passion for quality, inclusive education. I love all things craft-y and nature-y, and I love a good book. My go to ice-breakers, no matter your age, is "what's your favourite animal?" and "what's the most interesting thing about you?". The answer to both these questions for me would be my 6 rats!

You can usually find me in the OSHC finding cunning ways to get kids to practice their literacy without them realising and challenging them to a game of Dragonwood Cards

### **Matthew McInerney (Supervisor)**

Hello everyone! My name is Matthew McInerney and I have just started here at Seacliff OSHC. I am a third-year education student, currently studying secondary education at Flinders University where I am specialising in Physical Education & Humanities and Social Sciences. I have been lucky enough to have worked in a few different primary and secondary schools since 2016 and I get a real kick out of working with young people in the education setting. I play football in the winter and cricket in the summer and love keeping active. I look forward to meeting everyone as the year goes on!

### **Gemma Wright (Educator)**

Hi! My name is Gemma Wright and I am an Educator at Seacliff OSHC. I am currently studying a Bachelor of Health Sciences (Therapy Studies) majoring in Occupational Therapy. Hobbies I enjoy Participating in include cooking, photography and Zumba! My Favourite thing about working at Seacliff OSHC is that I can always rely on each and every child to put a smile on my face. They are all such beautiful, genuine kids who make me feel so blessed to work in the most wonderful environment.

### **Taylor Atkins (Educator)**

はじめまして！私の名前はテイラーです。よろしくおねがいします！

Hi everyone, my name is Taylor and I am an Educator at Seacliff Primary School OSHC! I love hiking, playing video games, studying Japanese and am currently re-engaging my passion for drawing! I'm currently a second-year uni student studying a double Bachelor of Primary Education and Bachelor of Arts (Japanese major). My dream after university is to teach English in a Japanese elementary school temporarily. Being able to contribute to creating a fun, positive safe-space that promotes creativity, curiosity and engagement is the reason why I adore my job!

### **Olivia Johnston-Wyly (Educator)**

Hey! My name is Olivia and I am an Educator at Seacliff Primary OSHC! I'm currently studying a Bachelor of Primary Education, specialising in The Arts. I love to dance and have been doing it for 10 years, I now teach dance and enjoy sharing my passion with the younger generation. In my spare time you can catch me at the river water-skiing or with my friends singing our hearts out! I also used to attend Seacliff Primary School as well as Seacliff OSHC and it feels great to be back and being able to give the new students the same amazing experiences I had as a student!

### **Lola Walsh (Educator)**

Hi! My name is Lola and I am a new educator at Seacliff OSHC. I am currently studying a Bachelor of Primary Education, specialising in the arts. I grew up in Bondi so love swimming, surfing and going for walks at the beach. I also enjoy dancing and making art. My favourite thing about OSHC is building positive relationships with the children and their families. The highlight of my day is coming into OSHC and getting to talk to the children about their interests, likes and dislikes. It is an extremely rewarding job and I feel so grateful to be working here.
