- The school dress code can be applied to all students of the school or a specific section of the student body, and can include a range of clothing for students, which can be in the form of a school uniform, colour code or mix and match clothing.
- Students are expected to wear the school's dress code during school hours, while travelling to and from school, and generally when engaged in school activities out of school hours.

### Development and Consultation

- consider the health and safety of students engaging in a range of physical activities and weather conditions eg. safe footwear, eye protection and hats.
- reflect the school community standards and expectations
- are aware of anti-discrimination and equal opportunity legislation.
- are aware of current DECD policies and procedures intended to improve the learning environment and outcomes of students
- will ensure that all student and parent groups in their community are consulted when determining or reviewing a school dress code
- formally endorse the school's dress code and any uniform requirements by the Governing Council before implementation
- comply with **DECD Procurement Governance Policy** for any arrangements for the supply of uniforms with individual companies

The Principal, Leadership Team and Governing Council may review this policy when circumstances change significantly or issues arise.
