Staff of Seacliff Primary School,

On behalf of the Governing Council, the parents of Seacliff Primary School and the broader community, I would like to take this opportunity to say thank you.

Thank you for the way you have handled the past few months.

The way you have responded to the ongoing uncertainty we have found ourselves in has been remarkable and reaffirmed your level of professionalism and dedication to our students. Through all this, we've gained a greater appreciation for the level of detail that is put into planning and leading the students as we gained some insights into the workings of a school day.

Thank you for the huge amounts of effort that you went to in order to provide flexible learning opportunities to our children, even if it does not end up being utilised to its full potential. The timeframe in which it was executed was remarkable and it is great for us all to understand how this could work if required.

Thank you for keeping us so regularly informed and being transparent throughout everything. We appreciated your patience with us when we were confused and trying to work out what was the right thing to do. Thanks for talking things through with us, providing options and reassurance and putting up with last minute changes.

And finally, thank you for opening your classrooms to our children, long before much of society was prepared to do the same, welcoming them back with open arms and providing them with the sense of certainty and security that many have been longing for.

We are all grateful for the what you have done and continue to do for this community.

A handwritten signature in black ink, appearing to read "Luke Sandery".
