Dear Parents and Caregivers,

On Wednesday 9th of September, students from Rooms 13 and 19 will be involved in a tree planting activity at Glenthorne National Park.

The main objective for undertaking the revegetation is to re-establish and re-connect important habitat for native plants and animals. The event provides students with a unique opportunity to be involved in a project from the ground up. Seacliff Primary School has been assigned a specific area that can be 'our patch' and we can be involved in future revegetation activities such as weeding and monitoring to show how plants grow and evolve over time. Given the park is now open to the community, in the future, the children can bring their parents to the property and show them what has been achieved.

On Wednesday September 9th each class will travel to Glenthorne National Park by bus. When they arrive they will be guided through their planting session.

Room 19 -

9:30 - Departs Seacliff Primary School and arrives at Glenthorne National Park at approximately 9:45am.

1.5 hours of planting and a short break.

11:30am - Depart Glenthorne National Park and return to school approximately 11:45am.

Room 13

12:00 - Departs Seacliff Primary School and arrives at Glenthorne National Park approximately 12:15am.

1.5 hours of planting and a short break.

2:00pm - Depart Glenthorne National Park and return to school approximately 2:15pm.

On this day students will need wear their school uniform, hat, suitable walking shoes and a spray jacket if the weather is drizzly. Students are encouraged to bring a water bottle with them on the day.

Please sign and return the consent form below by Monday, September 7th

THERE IS NOT COST ASSOCIATED WITH THIS EXCURSION

Kind Regards,
Chanele Litchfield and Leah Watkins

Tree Planting, Room 13 and 19, Glenthorne National Park
