

SAPSASA: South West District

Sport is an integral part of the total education department program of South Australian schools. The department supports sport through policy development, curriculum initiatives, professional development opportunities, resources and a statewide sport program.

The SAPSASA state carnivals and championships are for district representative teams. Seacliff Primary School is one of 19 schools in the South West District. Each year, students from Seacliff Primary try out to represent the South West District in a range of sporting competitions. Some of our 2020 representatives and team reports are below:

South West SAPSASA Girls Soccer

This year the SAPSASA Soccer carnival was played over 2.5 days and we played with 9 players instead of 11. The South West team played 8 matches, winning 7 and drawing our match with the Airport District. As a result we finished equal first with Airport and each player received a gold medal.

It was a great experience and I met many nice people and made lots of new friends. Everyone was supportive and encouraging and I had FUN!

Emily Cozens (Year 6)

South West SAPSASA Boys Soccer

This year the boys' SAPSASA soccer carnival was played at West Beach. We played teams from metropolitan Adelaide as the country districts had a separate carnival. Jaxon played midfield and striker (5 goals for the week) and Will was a striker (13 goals for the week). Our games were all high scoring and we won one, drew three and lost five. The highlights were winning our first game and Will scoring from the half way line.

Jaxon Taylor-Williams & Will Stronnar (Year 7s)

South West SAPSASA Girls Hockey

Scarlett, Lila, Amber and Paige were all selected to represent the South West SAPSASA district in girl's hockey. The matches were all played at the Grange Hockey Club against other metropolitan districts. Our team played eleven matches, winning nine, drawing one and losing one. It was a very enjoyable and successful week of hockey, with our team finishing in 3rd place overall.

Scarlett Tuck (Year 7)

South West SAPSASA Boys Hockey

Year 5 students, Liam and Rafe were both selected in the SAPSASA boys' hockey team. We played our matches at Grange Hockey Club on grass. Our team finished 4th overall, winning four of our eight matches. One of the highlights of the week when we were 1 nil down with five minutes to go against Tea Tree Gully. We levelled the score and then I scored, and then Rafe scored again! We won 3 – 1.

Liam Geoghegan (Year 5)
