Teachers of Seacliff Primary School,

This World Teachers' Day, on behalf of the Governing Council, the parents of Seacliff Primary School and the broader community, I would like to say thank you.

Thanks for continuing to provide such a positive and caring learning environment and helping to build a strong school community. The obvious pride in our school that is echoed through our children and greater community is testament to your passion and commitment.

This unprecedented year has seen so many of our worlds turned upside down and whilst some of us had the option of retreating to our homes, you were here to provide the normality and comfort of the school environment for our children. Hopefully, some of the skills, adaptability and resilience developed through this period will strengthen Seacliff Primary School going forwards.

We thank you for you for the positive impact that great teachers have on all our lives.

A handwritten signature in blue ink, appearing to read "Luke Sandery", is written over a light blue wavy background.
