Date Commencing: Date Ending:

Day of the week: Time:

Expected time to return:

Person responsible for the activity (coach, teacher, parent):

Responsible person's mobile number:

Children attending extra-curricular activities on the school grounds during OSHC attendance MUST sign in to OSHC after school prior to attending the activity and speak to an OSHC educator to inform them of where they will be on the school grounds.

I, give permission for my child to attend the activity during the specified time and location listed above.

I understand that the person responsible for the activity listed above will be responsible for the wellbeing and safety of my child during the activity. That person is also responsible for returning my child to OSHC after the activity has ended.

I understand that due to educator to child ratio, an educator is not available to escort my child to the activity or collect.

I understand that this form is only for the purpose of releasing my child directly at 3:30 from OSHC in the afternoon. If my child needs to leave in the morning or later in the afternoon other arrangements need to be made.
